This index to PUBLIC HEALTH REPORTS is divided into a subject index and an author index. The subject index carries one or more entries for each item published. In addition to the subject headings, categorical headings include ABSTRACTS, DATA LINE, EDITORIALS, LETTERS TO THE EDITOR, and PUBLICATION REVIEWS.

SUBJECT INDEX

ABSTRACTS

bridges: intergenerational approach to health promotion for the well elderly	91
cognitively oriented programs for adolescent stress management	98
design of a work site program for adult children of alcoholics	89
health promotion program for Meharry College staff	96
a hotline for women with high risk pregnancies	90
how to help families of hospitalized patients cope with prolonged stress	93
instructional pamphlet for condom displays in pharmacies	88
parent aides and perinatal coaching to prevent child abuse in San Diego	89
prescription: exercise—a health promotion project for the elderly in highrise apartments in Seattle	92
prevention of diabetes mellitus among Alaska Natives	94
a roving clinic: community outreach to gay and bisexual men	88

the school lunch program as a means of changing dietary habits	95
self-help behavior change manual, a tool for patient education	97
the team approach to drug monitoring of the elderly can prolong independence	90
use campus newspaper articles to teach college students about health	95
use of expert systems to improve health promotion programs for minorities	97
using the media to reach low-income children in need of health services	94

ADOLESCENTS

annual drug use survey shows downturn among high school seniors	br 408
cognitively oriented programs for adolescent stress management	abs 98
correlates and predictors of serum total cholesterol in adolescents aged 12-17 years: the National Health Examination Survey	a 256
the effects on children and adolescents of parents' excessive drinking: an international review	a 433
improving the health of Indian teenagers—a demonstration program in rural New Mexico	a 271
an outbreak of acute infectious nonbacterial gastroenteritis in a high school in Maryland	a 164
a psychosocial approach to smoking prevention for urban black youth	a 573
project outreach: organizations unified to reach youth	a 79
risk factors for suicide among Indian adolescents at a boarding school	a 609
a school-based smoking prevention program for adolescent girls in New York City	a 83
students teaching AIDS to students: addressing AIDS in the adolescent population	a 75

AIDS

AIDS knowledge and attitudes	br 99
AIDS knowledge and attitudes among adults in Vermont	a 388
AIDS prevention among Hispanics: needs, risk behaviors, and cultural values	a 411
analysis of Michigan Medicaid costs to treat HIV infection	a 416
correlates of participation in AIDS education and HIV antibody testing by methadone patients	a 231
developing strategies for AIDS prevention research with black and Hispanic drug users	a 2
differences in gay men's AIDS risk knowledge and behavior patterns in high and low AIDS prevalence cities	a 391
Dr. Brandt did not list the number one cause of preventable death	ltr 198
Dr. Brandt's response: AIDS is not the only priority	ltr 199
effects of AIDS education on police officers' knowledge and perceptions of risk	br 521

effects of AIDS education on police officers' knowledge and perceptions of risk	br 521

erratum in AIDS case projections in the Charlottesville report	br 208
FDA approves treatment IND status for pentamidine.	br 408
food counseling for persons infected with HIV: strategy for defensive living	a 196
HIV screening test is developed using recombinant-DNA technology	cover 3, May-June
interim programs for methadone therapy proposed	cover 3, May-June
knowledge of AIDS	br 203
national PTA joins HHS in helping to educate young people about AIDS	br 673
orthopedic surgeons' attitudes and practices concerning treatment of patients with HIV infection	a 121
PHS grants for minority group HIV infection education and prevention efforts	a 552
public acceptance of the Surgeon General's brochure on AIDS	a 130
a roving clinic: community outreach to gay and bisexual men	abs 88
Secretary Bowen announces awards for AIDS facilities	br 103
students teaching AIDS to students: addressing AIDS in the adolescent population	a 75
talking with young people about HIV infection and AIDS	cover 3, July-August
U.S. comparison with Swiss HIV knowledge survey should be on like basis	ltr 518

ALCOHOL

design of a work site program for adult children of alcoholics	abs 89
effects on children and adolescents of parents' excessive drinking: an international review	a 433
errata in the "perspectives on alcohol abuse" issue of Public Health reports	br 23
project outreach: organizations unified to reach youth	a 79
reaching Hispanics with messages to prevent alcohol and other drug abuse	a 588
research on alcohol metabolism among Asians and its implications for understanding causes of alcoholism	a 615
sign ordinance aimed at alcohol use by young adults in two Florida counties	ltr 525

ASBESTOS

cancer incidence following exposure to drinking water with asbestos leachate	a 251
--	-------

AWARDS

Charles A. Dana awards for health promotion, disease prevention	br 207
---	--------

BIRTHS

births reached new high in 1988	br 404
a comparison of the childhood health status of normal birth weight and low birth weight infants ..	a 58
effects of very low birth weights on fetal and neonatal	

mortality rates in Alabama	a 488
factors influencing intentions of women to exercise after giving birth	a 188
Mexican-American low birth weight study	br 520
neonaticides following "secret" pregnancies: seven case reports	a 368
new certificates will collect additional information ...	br 308
new data	br 99
1987 final natality statistics	br 520
1983 birth cohort linked file	br 307
planned and unplanned home births and hospital births in Calgary, Alberta, 1984-87	a 373
use of obstetrical care compared among military and civilian families	br 309

BLACKS

AIDS knowledge and attitudes in the black and Hispanic populations	br 403
black-on-black homicide: Kansas City's response	a 605
Detroit's Avoidable Mortality Project: breast cancer control for inner-city women	a 527
developing strategies for AIDS prevention research with black and Hispanic drug users	a 2
development of a community cancer education program: the Forsyth County, NC, cervical cancer prevention project	a 542
participation rates, weight loss, and blood pressure changes among obese women in a nutrition-exercise program	a 640
a psychosocial approach to smoking prevention for urban black youth	a 573
an urban community-based cancer prevention screening and health education intervention in Chicago ..	a 536

BREASTFEEDING

food and nutrition service research and support encourage breastfeeding	br 310
promoting breastfeeding: a guide for health professionals working in the WIC and CSF programs	br 311

CANCER

ACS grants available	br 206
cancer in Alaskan Indians, Eskimos, and Aleuts 1969-83: implications for etiology and control	a 658
cancer incidence following exposure to drinking water with asbestos leachate	a 251
cancer screening services for the elderly	a 209
Detroit's Avoidable Mortality Project: breast cancer control for inner-city women	a 527
development of a community cancer education program: the Forsyth County, NC, cervical cancer prevention project	a 542
eat for health: a nutrition and cancer control supermarket intervention	a 443
a prospective study of reproductive, familial, and socioeconomic risk factors for breast cancer using NHANES I data	a 45
an urban community-based cancer prevention screening and health education intervention in Chicago ..	a 536

CARDIOVASCULAR DISEASE

- report of the New England task force on reducing heart disease and stroke risk a 134

CENTERS FOR DISEASE CONTROL

- the Centers for Disease Control program to prevent primary and secondary disabilities in the United States a 226

CHILD ABUSE

- parent aides and perinatal coaching to prevent child abuse in San Diego abs 89

CHILDREN

- baby bottle tooth decay in Native American children in Head Start centers a 50
- a comparison of the childhood health status of normal birth weight and low birth weight infants .. a 58
- design of a work site program for adult children of alcoholics abs 89
- the effects on children and adolescents of parents' excessive drinking: an international review a 433
- family caregiver costs of chronically ill and handicapped children: method and literature review a 158
- the growth and development status of homeless children entering shelters in Boston a 247
- measuring health variables among Hispanic and non-Hispanic children with chronic conditions a 377
- mobile outreach program provides health services to sheltered homeless children in New York City... br 405
- preventing baby bottle tooth decay in American Indian and Alaska Native communities: a model for planning a 631
- providing access to home care for disabled children: Minnesota's Medicaid model waiver program a 465
- talking with young people about HIV infection and AIDS cover 3, July-August
- tracking childhood mortality br 203
- using the media to reach low-income children in need of health services abs 94
- what is the health impact of day care attendance on infants and preschoolers? br 101
- what school children need to learn about injury prevention a 385

CHOLESTEROL

- comparisons of referral criteria for public screening of blood cholesterol levels a 425
- correlates and predictors of serum total cholesterol in adolescents aged 12-17 years: the National Examination Survey a 256
- performance characteristics of a blood cholesterol measuring instrument used in screening programs.. a 266

COLIFORM TEST

- the presence-absence coliform test for monitoring-drinking water quality a 54

COMMISSIONED CORPS

- the revitalization of the Public Health Service Commissioned Corps a 105

COMMUNITY SERVICE

- bridges: intergenerational approach to health promotion for the well elderly abs 91
- grants assist community and migrant health center perinatal programs br 206
- a hotline for women with high risk pregnancies abs 90
- improving the health of Indian teenagers—a demonstration program in rural New Mexico a 271
- outreach program trains community residents as health workers to aid poor br 407
- a roving clinic: community outreach to gay and bisexual men abs 88

COMPUTER APPLICATIONS

- automation br 100
- computer-assisted rapid surveys in developing countries a 14
- simple analytic procedures for rapid microcomputer-assisted cluster surveys in developing countries a 24
- use of expert systems to improve health promotion programs for minorities abs 97

CONTRACEPTIVES

- instructional pamphlet for condom displays in pharmacies abs 88

CYSTIC FIBROSIS

- an international survey of attitudes of medical geneticists toward mass screening and access to results.... a 35

DATABASES AND DATA FILES

- automation br 100
- facility to collect data on practitioners' substandard performance br 207
- international data bank br 520
- new data br 99
- new information resource, the National Practitioner Data Bank br 311

DENTAL HEALTH

- baby bottle tooth decay in Native American children in Head Start centers a 50
- dental health promoted for older Americans br 205
- preventing baby bottle tooth decay in American Indian and Alaska Native communities: a model for planning a 631

DIABETES

- comparison of metabolic control among diabetic subjects at two clinics a 478
- prevention of diabetes mellitus among Alaska Natives abs 94
- tribal differences in diabetes: prevalence among American Indians in New Mexico a 665

DISABLED

- the Centers for Disease Control program to prevent primary and secondary disabilities in the United States a 226
- comorbidity and disabled br 404
- family caregiver costs of chronically ill and handicapped children: method and literature review a 158
- home care for life-supported persons: the French system of quality control, technology assessment, and cost containment a 329
- providing access to home care for disabled children: Minnesota's Medicaid model waiver program a 465

DRUG ABUSE

- annual drug use survey shows downturn among high school seniors br 408
- drug abuse issues at work topic of HHS videotape series br 521
- Mexican American and white American school dropouts' drug use, health status, and involvement in violence a 594
- NIDA offers new curriculum to upgrade skills of EAPS in drug abuse counseling br 673
- project outreach: organizations unified to reach youth a 79
- a review of PCP abuse trends and perceptions a 325

DRUG THERAPY

- developing strategies for AIDS prevention research with black and Hispanic drug users a 2
- interim programs for methadone therapy proposed... cover 3, May-June

DRUG USERS

- developing strategies for AIDS prevention research with black and Hispanic drug users a 2

EARTHQUAKE

- morbidity following Mexico City's 1985 earthquakes: clinical and epidemiologic findings from hospitals and emergency units a 482

ECONOMICS, HEALTH

- analysis of Michigan Medicaid costs to treat HIV infection a 416
- C section rates and increased malpractice premiums—an alternate explanation ltr 200
- does the average cost of home health care vary with case mix? a 335
- family caregiver costs of chronically ill and handicapped children: method and literature review a 158
- organ transplant costs surveyed nationwide br 407
- reply to Dr. Johnson: other control variables need to be explored ltr 201

EDITORIALS

- improving the health of minorities 523

- new year and still on course—developing goals for the year 2000 1

ELDERLY

- bridges: intergenerational approach to health promotion for the well elderly abs 91
- cancer screening services for the elderly a 209
- dental health promoted for older Americans br 205
- health care of the aging br 519
- prescription: exercise—a health promotion project for the elderly in highrise apartments in Seattle abs 92
- a statewide preventive health care program for the aged a 215
- the team approach to drug monitoring of the elderly can prolong independence abs 90

ENVIRONMENTAL HEALTH

- environmental health faculty in schools of public health a 514
- exposure to toxic waste sites: an investigative approach a 71
- the presence-absence coliform test for monitoring drinking water quality a 54
- what is the health impact of day care attendance on infants and preschoolers? br 101

EPIDEMIOLOGISTS

- State epidemiology programs and State epidemiologists: results of a national survey a 170

ERRATA

- errata in the "perspectives on alcohol abuse" issue of Public Health Reports br 23
- erratum in AIDS case projections in the Charlottesville report br 208

FERTILITY

- high fertility among Indochinese refugees a 143

FIREARMS

- firearms injuries and deaths: a critical public health issue a 111
- what school children need to learn about injury prevention a 385

FOOD AND DRUG ADMINISTRATION

- FDA approves treatment IND status for pentamidine br 408
- FDA food pesticide residue monitoring reviewed br 206

GENE MAPPING

- gene mapping project grants provided by NIH br 103

GRANTS

- ACS grants available br 206

enhancing mental health services for homeless persons: State proposals under the MSHS Block Grant Program.....	a 241
gene mapping project grants provided by NIH	br 103
grants assist community and migrant health center perinatal programs.....	br 206
HHS grants support studies of outcomes and treatments of common disorders.....	br 672
PHS grants for minority group HIV infection education and prevention efforts.....	a 552
Secretary Bowen announces awards for AIDS facilities.....	br 103

HEALTH CARE

improving the health of Indian teenagers—a demonstration program in rural New Mexico.....	a 271
a statewide preventive health care program for the aged	a 215

HEALTH EDUCATION

cognitively oriented programs for adolescent stress management.....	abs 98
correlates of participation in AIDS education and HIV antibody testing by methadone patients	a 231
drug abuse issues at work topic of HHS videotape series.....	br 522
effects of AIDS education on police officers' perceptions of risk.....	br 521
initiation of a voluntary certification program for health education specialists.....	a 396
parent aides and perinatal coaching to prevent child abuse in San Diego	abs 89
participation rates, weight loss, and blood pressure changes among obese women in a nutrition-exercise program	a 640
a roving clinic: community outreach to gay and bisexual men	abs 88
a school-based smoking prevention program for adolescent girls in New York City.....	a 83
the school lunch program as a means of changing dietary habits.....	abs 95
self-help behavior change manual, a tool for patient education	abs 97
an urban community-based cancer prevention screening and health education intervention in Chicago ..	a 536

HEALTH MANPOWER

effective utilization and evaluation of indigenous health care workers	a 361
family physicians: supply and demand.....	a 286
the revitalization of the Public Health Service Commissioned Corps.....	a 105

HEALTH PROFESSIONS EDUCATION AND TRAINING

effective utilization and evaluation of indigenous health care workers	a 361
environmental health faculty in schools of public health	a 514
family physicians: supply and demand.....	a 286
initiation of a voluntary certification program for	

health education specialists.....	a 396
State epidemiology programs and State epidemiologists: results of a national survey	a 170
students teaching AIDS to students: addressing AIDS in the adolescent population.....	a 75

HEALTH PROMOTION

bridges: intergenerational approach to health promotion for the well elderly.....	abs 91
Charles A. Dana awards for health promotion, disease prevention	br 207
health promotion program for Meharry College staff.....	abs 96
prescription: exercise—a health promotion project for the elderly in highrise apartments in Seattle	abs 92
project outreach: organizations unified to reach youth use campus newspaper articles to teach college students about health	abs 95
use of expert systems to improve health promotion programs for minorities	abs 97
using the media to reach low-income children in need of health services	abs 94

HEALTH SERVICES UTILIZATION

awareness of hospice services: results of a national survey	a 178
---	-------

HEALTH STATUS

a comparison of the childhood health status of normal birth weight and low birth weight infants	a 58
health, United States, 1988.....	cover 3, March-April
measuring health variables among Hispanic and non-Hispanic children with chronic conditions.....	a 377
Mexican American and white American school dropouts' drug use, health status, and involvement in violence.....	a 594
prospective study of pneumonia hospitalizations and mortality of U.S. older people: the role of chronic conditions, health behaviors, and nutritional status using 1990 national MCH objectives to assess health status and risk in an American Indian Community.....	a 627

HEPATITIS

isoniazid hepatitis among pregnant and postpartum Hispanic patients	a 151
---	-------

HISPANICS

AIDS knowledge and attitudes in the black and Hispanic populations	br 403
AIDS prevention among Hispanics: needs, risk behaviors, and cultural values	a 411
developing strategies for AIDS prevention in research with black and Hispanic drug users	a 2
isoniazid hepatitis among pregnant and postpartum Hispanic patients	a 151
long-term secular trends in initiation of cigarette smoking among Hispanics in the United States	a 583
measuring health variables among Hispanic and non-Hispanic children with chronic conditions.....	a 377

reaching Hispanics with messages to prevent alcohol and other drug abuse.....	a 588
Mexican American low birth weight study	br 520
Mexican American and white American school drop-outs' drug use, health status, and involvement in violence.....	a 594

HOME CARE

does the average cost of home health care vary with the case mix?.....	a 335
family caregiver costs of chronically ill and handicapped children: method and literature review	a 158
home care for life-supported persons: the French system of quality control, technology assessment, and cost containment.....	a 329
providing access to home care for disabled children: Minnesota's Medicaid model waiver program.....	a 465

HOMELESS PERSONS

assessment of the nutritional status of urban homeless adults	a 451
enhancing mental health services for homeless persons: State proposals under the MSHS Block Grant Program	a 241
the growth and development status of homeless children entering shelters in Boston	a 247
mobile outreach program provides health services to sheltered homeless children in New York City	br 405

HOMICIDE

black-on-black homicide: Kansas City's response	a 605
---	-------

HOMOSEXUALS

differences in gay men's AIDS risk knowledge and behavior patterns in high and low AIDS prevalence cities	a 391
a roving clinic: community outreach to gay and bisexual men	abs 88

HOSPITALS AND HOSPICE

awareness of hospice services: results of a national survey	a 178
hospital inpatient surgery	br 403
morbidity following Mexico City's 1985 earthquakes: clinical and epidemiologic findings from hospitals and emergency units	a 482
prospective study of pneumonia hospitalizations and mortality of U.S. older people: the role of chronic conditions, health behaviors, and nutritional status	a 350
rural community hospitals and factors correlated with their risk of closing	a 315

HUNTINGTON DISEASE

an international survey of attitudes of medical geneticists toward mass screening and access to results...	a 35
--	------

INJURY

analysis of fatal pedestrian injuries in King County,	
---	--

WA, and prospects for prevention	a 293
an assessment of potential injury surveillance data sources in Alaska using an emerging problem: all-terrain vehicle-associated injuries	a 493
firearms injuries and deaths: a critical public health issue	a 111
surveillance for injuries: cluster of finger amputations from snowblowers	a 155
what school children need to learn about injury prevention	a 385

INTERNATIONAL EXCHANGE PROGRAMS

collaborative research workshop	br 519
ICE on perinatal and infant mortality	br 519
international activities	br 100
international collaborative efforts	br 519
other projects	br 520

INTESTINAL INFECTIOUS DISEASES

food counseling for persons infected with HIV: strategy for defensive living	a 196
an outbreak of acute infectious nonbacterial gastroenteritis in a high school in Maryland	a 164

LETTERS TO THE EDITOR

authors' response [to letter on Swiss HIV knowledge survey]	518
C section rates and increased malpractice premiums— an alternate explanation	200
the distinction between rate and ratio is important	200
Dr. Brandt did not list the number one cause of preventable death	198
Dr. Brandt's response: AIDS is not the only priority	199
the "guidelines" on reporting reproductive health statistics tend to confuse rather than clarify	199
the internal consistency was a conscious choice: Dr. Cefalo and Mr. Gay reply	200
let us not overlook fluoridation of public water supplies	518
reply to Dr. Johnson: other control variables need to be explored	201
sign ordinance aimed at alcohol use by young adults in two Florida counties	525
U.S. comparison with Swiss HIV knowledge survey should be on like basis	518

LIFE EXPECTANCY

a multistate analysis of active life expectancy	a 222
years of potential life lost among a Native American population	a 279

MATERNAL AND INFANT HEALTH

a comparison of the childhood health status of normal birth weight and low birth weight infants ..	a 58
grants assist community and migrant health center perinatal programs	br 206
a hotline for women with high risk pregnancies	abs 90
meeting minority health needs through special MCH projects	a 621

- 1988 NMIHS now in the field br 307
 using 1990 national MCH objectives to assess health
 status and risk in an American Indian community . a 627

MEDIA

- use campus newspaper articles to teach college stu-
 dents about health abs 95
 using the media to reach low-income children in need
 of health services abs 94

MEDICAID

- analysis of Michigan Medicaid costs to treat HIV
 infection a 416
 providing access to home care for disabled children:
 Minnesota's Medicaid model waiver program..... a 465

MENTAL HEALTH SERVICES

- enhancing mental health services for homeless per-
 sons: State proposals under the MSHS Block Grant
 Program a 241

MILITARY PERSONNEL

- comparison of health habits of military personnel with
 civilian populations a 498
 use of obstetrical care compared among military and
 civilian families br 309

MINORITY HEALTH

- black-on-black homicide: Kansas City's response ... a 605
 cancer in Alaskan Indians, Eskimos, and Aleuts
 1969-83: implications for etiology and control..... a 658
 Detroit's avoidable mortality project: breast cancer
 control for inner-city women a 527
 development of a community cancer education pro-
 gram: the Forsyth County, NC, cervical cancer
 prevention project a 542
 guide advises on outreach efforts to culturally diverse
 the impact of sexually transmitted diseases on minor-
 ity populations br 672
 improving the health of minorities a 560
 long-term secular trends in initiation of cigarette
 smoking among Hispanics in the United States e 523
 meeting minority health needs through special MCH
 projects a 583
 Mexican American and white American school drop-
 outs' drug use, health status, and involvement in
 violence a 621
 participation rates, weight loss, and blood pressure
 changes among obese women in a nutrition-exercise
 program a 594
 PHS grants for minority group HIV infection educa-
 tion and prevention efforts a 640
 preventing baby bottle tooth decay in American In-
 dian and Alaska Native communities: a model for
 planning a 552
 a psychosocial approach to smoking prevention for
 black urban youth a 631
 reaching Hispanics with messages to prevent alcohol
 and other drug abuse a 573
 reporting of race and ethnicity in the national notifi-

- able disease surveillance system a 457
 research on alcohol metabolism among Asians and its
 implications for understanding causes of alco-
 holism a 615
 risk factors for suicide among Indian adolescents at a
 boarding school a 609
 sexually transmitted diseases and Native Americans:
 trends in reported gonorrhea and syphilis morbid-
 ity, 1984-88 a 566
 tribal differences in diabetes: prevalence among Amer-
 ican Indians in New Mexico a 665
 tuberculosis among American Indians of the contigu-
 ous United States a 653
 tuberculosis: an increasing problem among minorities
 in the United States a 646
 an urban community-based cancer prevention screen-
 ing and health education intervention in Chicago .. a 536
 using 1990 national MCH objectives to assess health
 status and risk in an American Indian community . a 627

MORTALITY AND MORBIDITY

- an assessment of potential injury surveillance data
 sources in Alaska using an emerging problem: all
 terrain vehicle-associated injuries a 493
 design of the 1986 national mortality followback
 survey: considerations on collecting data on dece-
 dents a 183
 effects of very low birth weights on fetal and neonatal
 mortality rates in Alabama a 488
 firearms injuries and deaths: a critical public health
 issue a 111
 ICE on perinatal and infant mortality br 519
 international activities br 100
 morbidity following Mexico City's 1985 earthquakes:
 clinical and epidemiologic findings from hospitals
 and emergency units a 482
 new data br 99
 prospective study of pneumonia hospitalizations and
 mortality of U.S. older people: the role of chronic
 conditions, health behaviors, and nutritional status
 self-reported exposure to pesticides and radiation
 related to pregnancy outcome—results from na-
 tional natality and fetal mortality surveys a 473
 sexually transmitted diseases and Native Americans:
 trends in reported gonorrhea and syphilis morbid-
 ity, 1984-88 a
 tracking childhood mortality br 202

NATIONAL CENTER FOR HEALTH STATISTICS

- Data Line 99, 202,
 307, 403, 519, 670

NATIONAL HEALTH GOALS

- health objectives br 100
 new year and still on course—developing goals for the
 year 2000 e 1

NATIVE AMERICANS

- baby bottle tooth decay in Native American children
 in Head Start centers a 50
 cancer in Alaskan Indians, Eskimos, and Aleuts

1969-83: implications for etiology and control....	a 658
comparison of metabolic control among diabetic subjects at two clinics	a 478
improving the health of Indian teenagers—a demonstration program in rural New Mexico.....	a 271
preventing baby bottle tooth decay in American Indian and Alaska Native communities: a model for planning	a 631
risk factors for suicide among Indian adolescents at boarding school	a 609
sexually transmitted diseases and Native Americans: trends in reported gonorrhea and syphilis morbidity, 1984-88	a 566
tribal differences in diabetes: prevalence among American Indians in New Mexico	a 665
tuberculosis among American Indians of the contiguous United States	a 653
years of potential life lost among a Native American population	a 279
